Montessori School is to inspire children to become self-confident and motivated individuals; we achieve this by providing the highest quality educational preschool, prek, kindergarten, after school programs and opportunities for each child to reach their highest potential.

~~Preschool - Learn & Play Montessori:
Fremont, Dublin ...~~

Montessori saw that children learn best by doing and that happy self-motivated learners form positive images of themselves as confident, successful people. She created specially designed resources to foster independence and a love for learning from an early age. The Montessori approach is holistic and aims to develop the whole child.

~~What is Montessori?~~

Mostly confined to pre-school and early years education in the UK, but there are some Montessori junior schools and a few senior schools too. What to expect: Creativity, exploration and problem-solving are encouraged; children move freely around the classroom and should be wholly involved with and absorbed in their learning. They work at their ...

Playful Learning and Montessori Education. s. Angeline S. Lillard. Although Montessori education is often considered a form of playful learning, Maria Montessori herself spoke negatively about a major component of playful learning—pretend play, or fantasy—for young children. In this essay, the author discusses this apparent contradiction: how and why Montessori education includes elements of playful learning while simultaneously eschewing fantasy.
