Haemophilus influenzae type
b (Hib) is a bacterial
infection that can cause a
number of serious illnesses,

Download Free Operators Manual Hib

particularly in young children. Hib infections used to be a serious health problem in the UK, but the routine immunisation against Hib, given to babies since 1992, means these infections are now rare. Of the small

Download Free Operators Manual Hib

number of cases that do occur nowadays, most affect adults with long-term underlying medical conditions, rather than young children.
