comfortable with.

Get Started Learning How to Trade Options! If you're reading this right now, you're considering learning about options. What are options? Are they better than stocks? Are they hard to use? In this book, author Tim Morris takes your hand and becomes your mentor, teaching you everything you need to know to get started with options. In part one, Tim goes over what exactly options are, and the reasons behind trading them versus trading stocks. This includes calls and puts, strike prices, expiration dates, volatility, and option Greeks. Then in part two, you'll learn basic option strategies, as well as one advanced strategy that you can start using right now. Tim even offers practical advice throughout the book on real world occurrences that the fundamental option textbooks don't mention. Tim provides charts, examples, and equations throughout the book, making a somewhat complicated subject simple and easy to understand. If you know nothing about options right now, when you're done reading this book, you'll have all the knowledge necessary to feel confident trading options. As a FREE bonus, only for book buyers, you'll receive Tim's special report titled Crush the Market! This special report is packed with 12 incredibly beneficial tips to help you make money in the stock market! This report is not available to the general public, or anywhere else. It exists solely as a "thank you" to buyers of this book. Options can provide a number of benefits over traditional stocks, and after reading this book, you'll know exactly how to use them. started learning how to trade options NOW!

Real Advice from a Real Investor If you are dreaming of getting started in the investing world to supplement your income or even kick your 9-to-5 job to the curb completely, then Options Trading: The Ultimate Beginner's Guide might be the answer you have been looking for. This book will help you learn everything you need to know in order to start making successful moves in the options market, even if you aren't quite sure what an option is at this moment. Simply put, options are like stocks or bonds in that they are a variety of security which, when purchased, give you the option of purchasing or selling a stock or another related asset at a specific price. While it might seem complicated now, the reality is that it is mostly about doing research and executing on a specific plan once certain numbers are met. While once only the domain of Wall Street, online options trading makes the process easier than ever. So, what are you waiting for? Stop dreaming and start acting. Inside You Will Find A complete breakdown on all option types Detailed explanations on exactly how options work An easy to follow step-by-step guide to walk you through your first options trade The best strategies for a beginner to achieve success The lingo of a professional options trader The easiest way to guarantee long term trading success Common mistakes beginners make and how to avoid them Much, much more! This is the definitive guide to get you started on trading options!
