The adventure that started it all, introducing readers to Dirk Pitt, "oceanography 's answer to Indiana Jones" (Associated Press), and a #1 New York Times bestselling series. On a quiet Greek island, a U.S. air force base has come under attack—by a World War I fighter plane . . . a famous yellow Albatros supposedly lost at sea in 1918. Now it is up to Dirk Pitt, Al Giordino, and the rest of the NUMA team to root out the elusive truth behind the incident—and find out how it 's connected to mysterious acts of sabotage against a scientific expedition, an international smuggling ring, and a dark-haired beauty with some dangerous secrets. The search for answers will lead Pitt from a lavish island villa, to a moving freighter eerily empty of crew, to a massive underwater cavern housing the heart of a criminal operation that is larger and more elaborate than he ever could have imagined . . . a lucrative operation that its mastermind would kill to protect. With its fearless and dashing hero, high-stakes action, and non-stop excitement, The Mediterranean Capers is classic Dirk Pitt . . . and classic Cussler.

A dangerous Soviet plot looming behind the evil plans of a great Asian shipping family, challenges Dirk Pitt to action

High seas explorer Dirk Pitt must stop an American millionaire from using impoverished nations for his own personal experiments in this #1 New York Times bestselling action adventure series. A routine survey mission over the North Atlantic exposes a missing luxury yacht frozen inside a million-ton mass of ice. The ship had vanished en route to a secret White House rendezvous, making it the responsibility of the National Underwater and Marine Agency to find out what happened. In other words, it's time for Dirk Pitt to cut his sunny, California vacation short and get back to work. Of course, when Pitt arrives on the scene and discovers the charred remains of the entire crew, who burned alive but never left their posts, he begins to suspect the tragic loss of the ship to be only the first, deliberate step in a far more sinister plan.

American agent Dirk Pitt's deep-sea mission to recover a lost treaty by which Canada was sold to the United States is countered by the British and the Soviets.

Clive Cussler's bestselling Cyclops will now be published in our popular premium format with an exciting new cover.

Clive Cussler 's New York Times bestselling Blue Gold, now available in ebook, is a heart-pounding thriller in the NUMA adventure series. Kurt Austin navigates the Amazon jungle in search of a legend that could change the path of science—but secretive powers will do anything to stop him. From deep within the Venezuelan rain forest emanates the legend of a white goddess and a mysterious tribe with startling technical accomplishments. Few believe the tribe exists—and even fewer suspect its deity may hold knowledge that can change the course of history. For National Underwater & Marine Agency crew leader Kurt Austin, an investigation into the sudden deaths of rare whales leads him to the Mexican coast, where someone tries to put him and his mini-sub permanently out of commission. Meanwhile, in South America 's lush hills, a specially assigned NUMA crew turns up the white-goddess legend—and a murderous cadre of bio-pirates intent on stealing medicinal secrets worth millions. Soon Austin and his crew realize they 're working the opposite ends of the same grand scheme. A billionaire California tycoon is poised to rise to power by monopolizing the earth 's vastly depleted freshwater reserves and ultimately dominate the world. Austin has a hunch Venezuela 's mythical tribal goddess has some real roots in science, and may be the key to locating a secret formula that could turn vast amounts of seawater into fresh. But with each step into the bush, he and his NUMA team feel like fish out of water—and

must fight a deadly, twisting trail of enemies through a dense jungle of treachery, blackmail, and murder.
