Science of Laser Hair Removal in SLOW MOTIONPainless Earth Science I purchased Painless Earth Science, History, Study Techniques, Grammar, Life Science, American Government, Spelling, Pre-Algebra, & Geometry for my daughter to help prepare her for high school. She hated me for weeks, but this series has tremendously helped her with her transition from middle school to an advanced magnet academy for high school.

Titles in Barron's extensive Painless Series cover a wide range of subjects as they are taught on middle school and high school levels. Perfect for supporting state standards, these books are written for students who find the subjects unusually difficult and confusing—or in many cases, just plain boring, and may need a little extra help.
