Back in print after more than fifteen years, this American Film Institute Catalog covers the decade of the sixties. This was the era in which films began to challenge the taboos on sex and violence and treated social issues in a new light. Included in this volume are The Wild Bunch, Bonnie and Clyde, Guess Who's Coming to Dinner? and Who's Afraid of Virginia Woolf? The decade also produced such all-time classics as The Sound of Music, To Kill a Mockingbird, and The Graduate.

The clear and easy way to get a handle on the science of speech The science of how people produce and perceive speech, phonetics has an array of real-world applications, from helping engineers create an authentic sounding Irish or Canadian accent for a GPS voice, to assisting forensics investigators identifying the person whose voice was caught on tape, to helping a film actor make the transition to the stage. Phonetics is a required course among students of speech pathology and linguistics, and it's a popular elective among students of telecommunications and forensics. The first popular guide to this fascinating discipline, Phonetics For Dummies is an excellent overview of the field for students enrolled in introductory phonetics courses and an ideal introduction for anyone with an interest in the field. Bonus instructional videos, video quizzes, and other content available online for download on the dummies.com product page for this book.

Gerald tells of the very unusual animals he would add to the zoo, if he were in charge.

Poky, a young sea turtle, couldn't wait to celebrate his first birthday, but his excitement quickly turns to disappointment when he realizes he has to share his special day with dozens of brothers and sisters. A portion of all sales are donated to Volusia/Flagler Turtle Patrol in Flagler Beach, FL.

Modules: The Victorian Age: Early Twentieth Century and Modernism; The Contemporary Age.

Rev. ed. published as: American Heritage dictionary. 2nd college ed. 1982.

Garnering a vast amount of attention from young people and parents, and from book buyers across the country, Smashed became a media sensation and a New York Times bestseller. Eye-opening and utterly gripping, Koren Zailckas's story is that of thousands of girls like her who are not alcoholics yet but who routinely use booze as a shortcut to courage and a stand-in for good judgment. With one stiff sip of Southern Comfort at the age of fourteen, Zailckas is initiated into the world of drinking. From then on, she will drink faithfully, fanatically. In high school, her experimentation will lead to a stomach pumping. In college, her excess will give way to a pattern of self-poisoning that will grow more destructive each year. At age twenty-two, Zailckas will wake up in an unfamiliar apartment in New York City, elbow her friend who is passed out next to her, and ask, "Where are we?" Smashed is a sober look at how she got there and, after years of blackouts and smashups, what it took for her to realize she had to stop drinking. Smashed is an astonishing literary debut destined to become a classic.
