This exploration of world history takes an interdisciplinary, global (rather than a regional or national) approach - tracing those major forces, movements, and events that had a world-wide impact. Surveying a full sweep of world history, the seventh edition provides a balanced coverage of both Eastern and Western regions, from earliest man to 1500 AD. In particular this new edition connects the past, present and future and the combination of resulting patterns, drawing implications for the future should those patterns emerge once again.

: A true exploration of world history, this book links chronology, themes, and geography in eight units, or parts of study, each emphasizes a single themeorigins, cities, empires, religion, trade, migrations, revolutions, and technology. : As in the first two editions, this book focuses throughout on three major questionsWhat do we know? How do we know it? What difference does it make?but the organization has changed, giving each feature a clearer place. Rich in primary sourcesboth written and visualand in data and interpretation, it addresses how historians in form, debate, and revise our historical understanding of the world, shows the value of other disciplines in understanding history, and helps readers begin to assess their own place in the ongoing history of the world. MARKET: A great resource for the professional historian.

World History: Cultures, States, and Societies to 1500 offers a comprehensive introduction to the history of humankind from prehistory to 1500. Authored by six USG faculty members with advance degrees in History, this textbook offers up-to-date original scholarship. It covers such cultures, states, and societies as Ancient Mesopotamia, Ancient Israel, Dynastic Egypt, India's Classical Age, the Dynasties of China, Archaic Greece, the Roman Empire, Islam, Medieval Africa, the Americas, and the Khanates of Central Asia. It includes 350 high-quality images and maps, chronologies, and learning questions to help guide student learning. Its digital nature allows students to follow links to applicable sources and videos, expanding their educational experience beyond the textbook. It provides a new and free alternative to traditional textbooks, making World History an invaluable resource in our modern age of technology and advancement.

An Introductory Exploration of the History of the World The World's History encourages readers to explore the history of the world and the significance of this unique study. The past is not simply a list of events, rather the records of historic interpretations of those events. Because interpretations differ from historian to historian, the study of history becomes a pool of various narrations told from different perspectives. The World's History celebrates these differentiating values offering readers a rich, comprehensive, and challenging introduction the the study of world history and the methods and key interpretations of its historians. The World's History: Volume 1 covers Parts One through Five(chapters 1-13). The parts move progressively along a timeline from emergence of early humans to the present day encouraging students to analyze historical events and develop a grasp of the chronology of human development. Readers will gain an appreciation of the national and cultural origins of all their diverse fellow citizens. MyHistoryLab is an integral part of the Spodek program. Key learning applications include, the World History Video Series, MyHistoryLibrary, and the all new Writing Space. Teaching and Learning Experience This program will provide a better teaching and learning experience- for you and your students. It: Personalized Learning with MyHistoryLab: The new MyHistoryLab delivers proven results in helping students succeed, and provides engaging experiences that personalize learning. Emphasized Critical Thinking: Learning tools throughout the text help students to focus their learning on key material and becomes more critical thinkers. These features include: Learning Objectives, Key Terms, Turning Point Questions and chapter-ending What Difference Does it Make? discussions. Includes and Engaging Pedagogically-Driven Design: A new, cleaner design of box features and color type offers a more visually pleasing experience for readers. An eight part division of the material allows readers to master on a specific unit before progressing to the next. Provides Primary Source Documents: Readers will gain primary knowledge of historical events though Sources Boxes and Suggested Readings in each chapter.
