In this article, we'll be going over 7 tips that will help you create more effective business plans. 1. Choose Your Audience. Before you even begin writing a business plan, you should decide who it will be targeted at. Business plans can be "externally focused", which is to say that they target people outside of the company (e.g. investors or lenders), or they can be "internally focused", which is to say that they target people inside the company (e.g. managers or workers).

## ~~7 Steps to a Perfectly Written Business Plan~~

A business plan is only a document on paper without a real path to get the work done, complete with a schedule, defined roles, and key responsibilities. While the milestones and metrics section of your business plan may not be long, it's critical that you take the time to look forward and schedule the next critical steps for your business. Investors will want to see that you understand what needs to happen to make your plans a reality and that you are working on a realistic schedule.
