This book paints a horrifying reality for women of the desert kingdom. It is a haunting look at the danger of Saudi male dominance and the desperate lives of the women they rule.

It all begins with an ad in the newspaper. When Jean Sasson, a young Southern woman living in Jacksonville Beach, Florida, answers a call to work in the royal hospital in Saudi Arabia, what should have been a two-year stay turns into a life-changing adventure spanning over a decade. Over the years Jean is plunged into the hidden lives of the veiled women in Riyadh, where women are locked in luxurious homes and fundamentalist mutawas terrorize the streets. Jean meets women from all walks of life--a feisty bedouin, an educated mother, a conservative wife of a high-ranking Saudi, and a Saudi princess the world knows as Princess Sultana--all who open a window

into Saudi culture and help to reshape Jean's worldviews ... the first installment in a heartfelt, inspiring memoir about Jean's thirty-year travels and adventures in Saudi Arabia, Lebanon, Kuwait and Iraq.

In a land where Kings still rule, I am a Princess. You must know me only as Sultana, for I cannot reveal my true name for fear that harm will come to me and my family for what I am about to tell you. Think of a Saudi Arabian princess and what do you see? A woman glittering with jewels, living a life of unbelievable luxury. She has gold, palaces, swimming-pools, servants, designer dresses galore. But in reality she lives in a gilded cage. She has no freedom, no vote,

no control over her own life, no value but as a bearer of sons. Hidden behind the veil, she is a prisoner, her jailers her father, her husband, her sons. 'Sultana' is a member of the Saudi royal family, closely related to the King. For the sake of her daughters, she decided that it was time for a woman in her position to speak out about the reality of life for women in her country, whatever their rank. She tells of her own life, from her turbulent childhood to her arranged marriage - a happy one, until her husband decided to take a second wife - and of the lives of her sisters, her friends and her servants. In contrast to the affection and easy camaraderie amongst the women, she relates a history of appalling oppression against them,

everyday occurrences that in any other culture would be seen as shocking human rights violations: forced marriages, servants bullied into sex slavery, summary executions. Princess is a testimony to a woman of indomitable spirit and great courage. By speaking out, 'Sultana' risked bringing the wrath of the Saudi establishment upon her head and upon the heads of her children. For this reason, she told her story anonymously.

The Princess Trilogy consists of Princess, A True Story; Princess Sultana's Daughters; and Princess Sultana's Circle. Sultana is a Saudi Arabian princess, born to uncountable wealth. She has four mansions on three

Sultana is a member of the Saudi royal family, closely related to the king. For the sake of her daughters, she has decided to take the risk of speaking out about the life of women in her country, regardless of their rank. She must hide her identity for fear that the religious leaders in her country would call for her death to punish her honesty. Only a woman in her position could possibly hope to escape from being revealed and punished. Although Sultana lives with constant fear of retribution, her passion to provide her daughters a better life transcends her

fear and fuels her desire for change.

In *Princess*, readers were shocked by Sultana's revelations about life in Saudi Arabia's royal family. Royal women live as virtual prisoners, surrounded by unimaginable wealth and luxury, privileged beyond belief, and yet subject to every whim of their husbands, fathers, and even their sons. Daughters of Arabia featured Sultana's teenage daughters, determined to rebel but in very different ways. And now, in *Desert Royal*, Sultana's fight for women's rights in a repressive, fundamentalist Islamic society, has an extra sense of urgency. The threat of world terrorism, the gathering strength of religious leaders

and the discontent of impoverished Saudis are threatening to topple the comfortable world Sultana has known. But an extended family 'camping' trip in the desert brings Sultana and her relatives face to face with their nomadic roots, and nourishes her will to carry on the fight for women's rights in all Muslim countries. This updated edition contains an all-new chapter as well as a letter from Sultana herself, encouraging all women to take up the struggle for freedom for their abused sisters throughout the world.
