Psychopathy: Antisocial, Criminal, and Violent Behavior ...
Psychopathy: Antisocial, Criminal, and Violent Behavior. This book is essential reading for any clinician, jurist, or criminologist who will encounter, diagnose, manage, or treat a psychopath. Given both the rise of incarceration in the United States and the increasing interest in civil commitment for sexual predators, many of whom have psychopathy as a comorbid diagnosis, this book is a must.

Psychopathy: Antisocial, Criminal, and Violent Behavior ...
Psychopathy remains one of the least understood personality disorders and one of the most intransigent to therapeutic amelioration. Better understanding of this disorder is not helped by its DSM definition, which specifies diagnostic criteria in terms of concrete antisocial behaviors rather than psychological dynamics. In a concerted effort to remedy this situation, this volume brings

Emotional pain and violence. Social isolation, loneliness, and associated emotional pain in psychopaths may precede violent criminal acts. 5 They believe that the whole world is against them and eventually become convinced that they deserve special privileges or rights to satisfy their desires. As psychopathic serial killers Jeffrey Dahmer and Dennis Nilsen expressed, violent psychopaths ...

The Hidden Suffering of the Psychopath | Psychiatric Times

Psychopathy is however linked not only to general criminal behaviour, but also to criminal recidivism; this is consistently associated with a variety of socially deviant behaviours because of the persisting and enduring assemblage of interpersonal, affective and behavioural characteristics that define the disorder.⁵⁹ Findings indicate that psychopathic convicts have a 2.5 times higher probability to be released from jail than undiagnosed ones, even though they are more likely to recidivate.⁶⁰
