"Overall Retrieving Experience makes an outstanding political contribution to post-postmodern understandings of the subject that move significantly beyond the current impasse of the Enlightenment/postmodern nexus. Kruks retelling of a tale... offers insights that should well invigorate international mainstream discussions of the subject as well as feminist political engagements into the new millennium."

*Retrieving Experience: Subjectivity and Recognition in ...*

In Retrieving Experience, Sonia Kruks engages critically with the postmodern turn in feminist and social theory. She contends that, although postmodern analyses yield important insights about the place of discourse in constituting subjectivity, they lack the ability to examine how experience often exceeds the limits of discourse.
