Explains the accepted procedures for conducting business, government, and club meetings.

Robert's Rules of Order Newly Revised, commonly referred to as Robert's Rules of Order, RONR, or simply Robert's Rules, is the most widely used manual of parliamentary procedure in the United States. It governs the meetings of a diverse range of organizations—including church groups, county commissions, homeowners associations, nonprofit associations, professional societies, school boards, and trade unions—that have adopted it as their parliamentary authority. The manual was first published in 1876 by US Army officer Henry Martyn Robert, who adapted the rules and practice of Congress to the needs of non-legislative societies. Ten subsequent editions have been published, including major revisions in 1915 and 1970. The copyright to Robert's Rules of Order Newly Revised is owned by the Robert's Rules Association, which selects by contract an authorship team to continue the task of revising and updating the book. The 11th and current edition was published in 2011. In 2005, the Robert's Rules Association published an official concise guide, titled Robert's Rules of Order Newly Revised In Brief. A second edition of the brief book was published in 2011.

The only authorized edition of the classic work on parliamentary procedure, with new and enhanced features, including how to conduct electronic meetings Robert's Rules of Order is the book on parliamentary procedure for parliamentarians and anyone involved in an organization, association, club, or group and the authoritative guide to smooth, orderly, and fairly conducted meetings and assemblies. This newly revised edition is the only book on parliamentary procedure to have been updated since 1876 under the continuing program of review established by General Henry M. Robert himself, in cooperation with the official publisher of Robert's Rules. The eleventh edition has been thoroughly revised to address common inquiries and incorporate new rules, interpretations, and procedures made necessary by the evolution of parliamentary procedure, including new material relating to electronic communication and "electronic meetings."

A short, concise and user-friendly guide to the essential procedures of conducting a meeting, written by the authors of Robert's Rules of Order Newly Revised, the only authorized edition of the classic work on parliamentary procedure Originally published in 1876, General Henry M. Robert's guide to smooth, orderly, and fairly conducted meetings has sold over six million copies in eleven editions. Robert's Rules of Order is the book on parliamentary proceedings, yet those not well versed on what has now become a rather thick document can find themselves lost-and delayed-while trying to locate the most important rules. The solution? Robert's Rules of Order Newly Revised in Brief. Written by the same authorship team behind the officially sanctioned Robert's Rules of Order, this short and user-friendly edition takes readers through the rules most often needed at meetings—from debates to amendments to nominations. With sample dialogues and a guide to using the complete edition, Robert's Rules of Order Newly Revised in Brief is the essential handbook for parliamentary proceedings.

The purpose of the present edition of this book is as a reference for adopters of the Official Robert's Rules of Order Rulebook (Gregory Berry, Ed.), also available on amazon, which is intended for adoption as the official rules of assemblies (meetings, boards, conventions, etc.) (rather than the ponderous, impossible-to-use "Newly Revised 11th Edition" of Robert's Rules of Order). This version is all you need to run your assembly. The "Newly Revised 11th Edition" of Robert's Rules of Order has no place in any assembly. It was conceived cynically to maintain the copyrights of these rules in the Robert family, and as such is almost unusable. This book has all the rules you need (in one-fifth the space of the 11th Ed. Newly Revised [130 pages rather than 700]), and Part II of this book is an effective primer for those new to parliamentary procedure (which is entirely lacking in the 11th Ed. Newly Revised). However, the editor suggests that this book be purchased along with its companion book, the Official Robert's Rules of Order Rulebook, which has reorganized the rules in rule format, and is designed specifically for adoption by an assembly as its official parliamentary rules of procedure. A parliamentarian will find the two books work well together. The present book contains fuller explanations of the rules in the Rulebook, and is also of historical interest for parliamentary scholars. The Rulebook is extensively cross-referenced with both this book and the 11th Ed. Newly Revised for more expansive scholarship on these rules.

Discover why Robert's Rules "rule" If you belong to any type of organization—from school board to garden club to bowling league to trade association—chances are this book can save you many boring meeting minutes. This friendly guide translates Robert's Rules of Order, the essential guide for conducting meetings of all types, into principles you can understand and apply the next time "Billy Bully" tries to dominate the discussion or "Debbie Dictator" issues another edict. If you've ever been frustrated at the way condominium association business was (or wasn't) conducted or fidgeted while PTA members debated whether to have goldfish or pencils as prizes for the elementary school carnival, this is the book for you. Written by a Professional Registered Parliamentarian, it covers everything from the basics of bylaws that establish the real framework of your organization to the requirements for a legal meeting, from how to use an agenda to plan your next meeting and keep things on track to voting procedure and putting ideas into motion—and so much more. This new edition is published in response to the revised 11th edition of Robert's Rules of Order Techniques for following parliamentary procedures to effectively manage meetings of any size Helps you stay current with the latest updates to the rules of order and parliamentary procedure Complete with a glossary of parliamentary terms and sample agendas, reports, and minutes, this guide has everything you need but a gavel. Whether you belong to an elite country club or a civic organization, an investment club or a volunteer fire department, when you use the principles in this book, meetings won't be dominated by the loudest or pushiest member or go on and on and on and on and on and on ...

Experienced legislators, leading newspapers, church leaders, business executives, lodge and club officers all pronounce Roberts Rules of Order the best parliamentary Guide in the English language. Its amazing acceptance entitles it to the claim of being the recognized authority in parliamentary law.

DIVWho has the floor, and how do you make a motion? What keeps a meeting from collapsing into chaos? This bible of parliamentary procedures transforms complex rules into easy-to-understand basics. /div

Parliamentary procedure, as outlined in that famous reference Robert's Rules of Order as well as several other procedural rulebooks, is the system that keeps public meetings moving along while allowing everyone to have their fair input. Unfortunately, Robert's is a complex and intimidating reference that new and casual meeting leaders and participants can find overwhelming. The Complete Idiot's Guide® to Parliamentary Procedure Fast Track lets readers bypass the arcane language, sort out the complicated system of motions, and get to what they really want to do: preside over and participate in smoothly-run meetings. In this slim volume, readers get: - A quick guide to the different sets of parliamentary procedure and which is most appropriate for the organization - Advice on setting and managing an agenda - The essence of what readers need to know about the most common types of motions - Rules for debates and voting - Forming and working on effective committees - Troubleshooting for meetings gone awry - Quick guidance for writing and submitting minutes

This third edition of Jon Ericson ' s Notes and Comments on Robert ' s Rules updates all references and page numbers to the tenth edition of Robert ' s Rules of Order Newly Revised, published in 2000. Ericson ' s guide to the authoritative parliamentary resource clarifies many of the concepts and rules that intimidate or confuse the members of organizations who use it, stressing that they have a choice in—and may, in fact, modify—the rules by which they are bound. Ericson begins with the Order of Precedence, which he defines as the key concept in understanding and utilizing parliamentary procedure. He then uses a question-and-answer format in which a logical progression of essential parliamentary questions is explicitly answered, with a rationale for each rule. Throughout, he provides specific page references to Robert ' s Rules. Through these three elements, he makes classic doctrine intelligible and workable, leading the reader step-by-step through the rules and their applications and, in the process, encouraging people to feel more positive about parliamentary procedure and their ability to use it. " Far too many members, armed—or more accurately disarmed—with a misconception of parliamentary procedure, choose to spend a lifetime wondering what is going on and lamenting or blaming others when things fail to go their way. " writes Ericson in the Introduction. " Understanding parliamentary procedure also allows a person to have more fun—not just the fun of socializing outside the business meeting—but the fun of performing in the public arena. " A popular, concise, and clear handbook, Notes and Comments on Robert ' s Rules emphasizes the simple machinery of the system, relates its concepts to the procedures most commonly used in meetings and conventions, and encourages members to obtain and study, rather than shy away from Robert ' s Rules of Order Newly Revised. This new edition also expands the number of question-and-answer sections and surveys the research in and commentary on the field since 1991. A laminated, removable card featuring simplified charts of parliamentary motions serves as an additional resource and is included with the volume.
