John Milton is a British espionage agent who is trying to leave the agency after years against the wishes of the agency. I wish that Mark Dawson would write more John Milton novels, but that seems unlikely. Dawson is a wonderful author.

'It's impossible not to think of Lee Child's super-selling Jack Reacher' The Times John Milton is the man the government call when they want a problem to vanish . . . but what happens when he's the one that needs to disappear? After a botched job leaves a bloody trail, government assassin John Milton does the one thing he's never done before: he hides. Disappearing into London's bustling East End and holing up in a vacant flat, Milton becomes involved with single mother Sharon and her troubled son Elijah, who are caught in an increasingly bloody turf war between two rival gangs. Unable to ignore the threat, Milton sets about protecting mother and son, meeting violence with violence. But his involvement puts him in the sights of the government's next best killer, and before long Milton is not just fighting to save a family and a home - he's fighting to stay alive . . . If you like Lee Child's Jack Reacher, Vince Flynn's Mitch Rapp, and Robert Ludlum's Jason Bourne, you won't be able to put down the compulsively addictive John Milton series. Bury your enemies, and bury them deep. John Milton thought he was done with Avi Bachman. The most dangerous man he's ever known has been incarcerated in Angola, the brutal Louisiana prison. Inmates rarely leave Angola. Once you go in, the only way out is in a box. But Bachman is no ordinary prisoner. He was an assassin for the Mossad, and he has favours to call in. Milton is in the Australian outback with an old friend and his flirtatious kid sister, looking for a summer's peace to put his troubled mind to rest. But Bachman has other plans. He thinks that Milton killed his wife, and now he wants revenge. From Australia to Israel, from Hong Kong to Croatia, here is the conclusion of this brutal chapter in Milton's life. The two headhunters are on a collision course, and

A man called Milton walks into town...On the run from his own demons, John Milton treks through the Michigan wilderness into the town of Truth. He's not looking for trouble, but trouble's looking for him. He finds himself up against a small-town cop who has no idea with whom he is dealing, and no idea how dangerous he is. But Milton is double crossed and badly injured. Unarmed and alone, he flees into the remote Porcupine Mountains with a posse on his tail. His enemies thought they could hunt him down. That was a mistake and, where Milton is concerned, one mistake is all you get.
