Scots law is the legal system of Scotland. It is a hybrid or mixed legal system containing civil law and common law elements, that traces its roots to a number of different historical sources.

Together with English law and Northern Irish law, it is one of the three legal systems of the United Kingdom. Early Scots law before the 12th century consisted of the different legal traditions of the various cultural groups who inhabited the country at the time, the Gaels in most of the country, with the

~~Scots Criminal Law by --: Very Good Paperback (2008 ...~~

Scots law has a complicated history that goes back as far as Roman times. This is important for modern law in Scotland because it explains a lot about some of the legal principles we have today. Roman law principles were used to develop Scots law (see 'institutional writers' below). Roman law was basically a system of 'rights' and 'obligations'.

Scotland. Malicious mischief is an offence against the common law of Scotland. It does not require actual damage to property for the offence to be committed; financial damage consequential to the act is sufficient, unlike vandalism which requires actual damage to property to form the offence, the latter being defined by section 52 of the Criminal Law (Consolidation) (Scotland) Act
