Appearances - The Art of Class is an examination of the subtle refinements which make one an elitist.

The places time forgot From the magical empty theatres of Detroit to the lost playgrounds of Chernobyl, there are places across the globe that were once a hub of activity, but are now abandoned and in decay. With nature creeping in and reclaiming these spots, we are left with eerie crumbling ruins and breathtaking views that offer us a window into the past and capture our imagination. Abandoned showcases the very best photographs from around the world documenting this phenomenon. More immersive than a museum and more human than a lecture, abandoned photography has given the world an exciting way to look at our history and the places we have long neglected. Compiled and curated by photographer and former urban explorer, Mathew Growcoat.

Pocket guide to property inspection for fire protection and prevention by property owners as well as by public and private inspection agencies.

A group of resourceful kids start "solution-seekers.com," a website where "cybervisitors" can get answers to questions that trouble them. But when one questioner asks the true meaning of Christmas, the kids seek to unravel the mystery by journeying back through the prophecies of the Old Testament. What they find is a series of "S" words that reveal a "spectacular story!" With creative characters,

humorous dialogue and great music, The "S" Files is a children's Christmas musical your kids will love performing.

The Exploring Piano Classics: A Masterworks Method for Developing Pianists series pairs motivating performance repertoire with thoughtful technical studies. The Technique books are designed to give students a highly structured program of technical development. They include basic keyboard patterns (five-finger patterns, scales, chords, cadences, and arpeggios in the major and minor keys found in the Repertoire books), exercises and etudes, and other necessary technical drills for mastering each piece in the Repertoire books. Suggestions for efficient practice are also included.

Fisheries Management: Alleged Misconduct of Members and Staff of the Western Pacific Fishery Management Council

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.
