Slavery has historically been widespread in Africa. Systems of servitude and slavery were common in parts of Africa in ancient times, as they were in much of the rest of the ancient world. When the Arab slave trade (which started in the 7th century) and Atlantic slave trade (which started in the 16th century) began, many of the pre-existing local African slave systems began supplying captives ...

The Slave Coast is a historical name formerly used for that part of coastal West Africa along the Bight of Benin that is located between the Volta River and the Lagos Lagoon. The name is derived from the region's history as a major source of Africans that were taken into slavery during the Atlantic slave trade from the early 16th century to the late 19th century. Other nearby coastal regions historically known by their prime colonial export are

## ~~9 'Facts' About Slavery They Don't Want You to Know~~

Because most slave owners only had a handful of slaves, Angel and Horry were considered economic elite and were called slave magnates. Slaves were simply labor to Angel and Horry, and they considered them property, hunting down runaway slaves and punishing misbehaving ones. While there is no evidence that they treated their slaves more harshly than other slave owners, they were known to own them strictly for business purposes.
