Social Problems , Sociology Theoretical Approach

The problem of Ethnicity.
Ethnic activity and
separatism came in a big way
in the post colonial 20th
century. Many countries like
Pakistan, Nigeria, and
SriLanka etc were deeply
affected by the ethnic
problem. The ethnic activity
also affected even the
developed west like Welsh
and Scots, Basques in Spain
etc. Even the egalitarian
melting pot America also
faced Black ethnic activity.
