Home-based baking is one of America's best-kept business secrets. This sleeper industry offers even novice bakers the opportunity to bake from home for profit using tried and true recipes and equipment already on hand. And yet its many rules and how-tos are so elusive that few people out there who love to bake and dream of taking their products from the kitchen to the market actually end up doing so. Enter *How to Start a Home-Based Bakery Business*—the first book to cover every essential aspect of planning, starting, and running such a business successfully.

The Trident Security Field Manual: Standard Operating Procedures for FNGs (f*cking new guys—and anyone else who wants to read it) is a fun compilation of extras for fans of the TS series and its spinoffs. Fans will get an extended Who's Who of Trident Security and The Covenant, Character Profiles from the original TS series and the Doms of The Covenant series, a Q&A session with characters from the TS series, the TS Omega Team series, and the Doms of The Covenant series, and Exclusive Short Stories—four of which had been previously published, but no longer available, on Samantha A. Cole's website, plus a never before released short story featuring fan-favorites Jenn Mullins and Doug Henderson! To wrap things up, family trees for the Sexy Six-Pack are included!

How did she navigate the world of venture capitalists and investment bankers to engineer the sale of her company and reap a personal fortune? And what does her subsequent odyssey to buy and donate a new national park in Maine ' s north woods—thus repaying what she regards as the “ harmonic debt to the planet ” she incurred by manufacturing beauty products—tell us about America and the American dream? *Queen Bee* is a fascinating biography of a fascinating woman, her game-changing skin-care company, and the quest to create a national park in the north woods. A richly textured portrait of the woman who built Burt ' s Bees from nothing and altered the global business of skin care. A tightly woven story of the paper-industry exodus, the giant clearance sale of the north woods, the downward spiral of paper-company towns, and the battle for a new national park. A tale of the American Dream in action— what it can do for the fortunate few who are in the right place at the right time with wits and determination, and what it can do to the unfortunate many who find themselves on the wrong side of “ creative destruction. ”
