Dr DAVID WILLIAMS believes it is always worthwhile examining the eye when faced with a systemic disease as many conditions have ocular signs which can aid in diagnosis and treatment. IT seems to have been Guillaume de Salluste Du Bartas, a 16th century Huguenot courtier and poet, who first penned the words " the eye is the window to the soul " though he was probably not a little influenced by Jesus who tells us in the sermon on the mount that the eye is the lamp of the body: " If your eyes ...

Ophthalmology | Veterinary Practice

Referral to a veterinary ophthalmologist can offer suspected cataract patients targeted care and establish the best plan of treatment to preserve or restore a dog ' s vision. One of the most intriguing parts of working as a veterinary nurse in an ophthalmology practice is managing cataracts. Upon consultation, the veterinary nurse should talk with pet owners about how to keep eyes with cataracts comfortable by medically controlling the inflammation/uveitis caused by the developing cataracts ...
