Our staff team is still available and on hand to offer you support by email. We're working hard to inspire belief in young people virtually and to ensure little disruption is experienced for all.

The Key: Inspiring Belief in Young People | The Key

The Key is a 1958 British-American war film set in 1941 during the Battle of the Atlantic. It was based on the 1951 novel Stella by Jan de Hartog (later republished as The Distant Shore and The Key) and was directed by Sir Carol Reed. William Holden, Sophia Loren and Trevor Howard starred in the production.

Updated: 10/07/2019 by Computer Hope When dealing with technical commands that use a keyboard (for example, web pages or the command line), you may hear such things as forward slash, backslash, and caret. Many times, users can be confused as these keys may be unfamiliar.

A hidden note. A lost love. A second chance... 'A wonderful, enthralling story; one that I didn't want to end' Lesley Pearse on The Key 'A heartbreakingly powerful read' The Sun on The Key From the #1 bestselling author of The Letter, Kathryn Hughes, comes The Key, an unforgettable story of a heartbreaking secret that will stay with you for ever. 1956 It's Ellen Crosby's first day as a student nurse at Ambergate

Hospital. When she meets a young woman admitted by her father, little does Ellen know that a choice she will make is to change both their lives for ever... 2006 Sarah is drawn to the now abandoned Ambergate. Whilst exploring the old corridors she discovers a suitcase belonging to a female patient who entered Ambergate fifty years earlier. The shocking contents, untouched for half a century, will lead Sarah to unravel a forgotten story of tragedy and lost love, and the chance to make an old wrong right . . . 'Oh wow! This story broke my heart then filled it with joy then broke it all over again! I adored The Letter and The Secret but this I have to say was my favourite. Heartfelt and poignant an absolute joy' A reader on The Key It's time to discover what a million readers already know. No one grips your heart like Kathryn Hughes . . . 'You will find it hard to put down. I cried buckets of tears reading it' 'A beautifully told, tragic tale . . . restoring your faith in the kindness of strangers and the strength of the human spirit' 'From start to finish, a lovely, sometimes heartbreaking read' 'A sheer joy to read . . . Wonderfully romantic with beautiful characters' 'I have finished this book with tears in my eyes but a smile on my face' 'I couldn't put it down. So beautifully written. I feel like I'm a better person for reading it' 'I cried with this book - it tugged at the heart all the way through' 'This must be one of the best books I have ever read' 'You will be thinking of this book long after you've finished it'

From the bestselling author of Communion comes the mysterious true story of how an unknown visitor barged into Streiber's hotel room late one night--and imparted extraordinary lessons in personal development and man's fate that challenge us to rethink every assumption about the meaning of life. At two-thirty in the morning of June 6, 1998, Whitley Streiber was awakened by somebody knocking on his hotel room door. A man came in, and everything he said was life-altering. This is the unsettling and ultimately enlightening narrative of what happened that night. Strieber was never really sure who this strange and knowing visitor was--a "Master of Wisdom"? A figure from a different realm of consciousness? A preternaturally intelligent being? He called him the Master of the Key. The one thing of which Strieber was certain is that both the man and the encounter were real. The main concern of the Master of the Key is to save each of us from self-imprisonment. "Mankind is trapped," the stranger tells Strieber. "I want to help you spring the trap." In a sweeping exchange between Strieber and the stranger--which takes the form of a classical student- teacher dialogue in pursuit of inner understanding--the unknown man presents a lesson in human potential, esoteric psychology, and man's fate. He illuminates why man has been caught in a cycle of repeat violence and self-destruction--and the slender, but very real, possibility for release. In its breadth and intimacy, The Key is on par with contemporary metaphysical traditions, such as A Course in Miracles, or even with the dialogues of modern wisdom teachers, such as D.T. Suzuki and Carl Jung.

A serial killer is on the loose in Minneapolis and the head of the investigation, Minneapolis police Lt. Jake Waschke, is feeling the pressure to find him. To make matters worse, the killer strikes again, this time across the river in St. Paul, and his victim is the daughter of a prominent politician. Just when the investigation seems to be going nowhere, the police catch a break when the killer strikes yet again, except this time there is a witness who gets the police, including Jake Waschke chasing the killer through the streets of Minneapolis. During the chase Jake gets a good look at him and realizes his problems are only beginning when he recognizes the man and realizes he must do whatever is necessary to protect him. A patsy is found and an arrest is made. The patsy's fate is placed in the hands of criminal defense lawyer, Marc Kadella, when the brother of the accused turns out to be a former client of Marc's. The case has heat and publicity far beyond anything Marc has ever dealt with and he tries to beg off. He knows he is over his head with a case of this magnitude and also realizes it could destroy his

practice and drive him into bankruptcy. The brother convinces Marc to take the case playing on their past relationship, guaranteeing payment of his fees and Marc's own belief that the man is innocent. As the case progresses, Marc, aided in the investigation by a stunningly beautiful private investigator, becomes more and more convinced his client is being framed. But, unless he can uncover who is framing him and, more importantly, why, an innocent man is going to take a very serious fall, Marc will be helpless to prevent it. *The Key to Justice* is a work of fiction that the author undertook to give a more realistic view of the practice of law and what a lawyer goes through than is usually found in most legal thrillers. It is not an easy way to make a living but it can be very rewarding though not always easy on the soul and the lawyer's private life. Whether the lawyer practices on his or her own, in a small firm or, maybe especially, a large firm to which you almost become enslaved, though well compensated, it can be a demanding, all-consuming, pressure-filled way to make a living.

Seventeen-year-old Rema lives in a brutal kingdom where travel between regions is forbidden, people are starving, and looking at someone the wrong way can mean death. Nineteen-year-old Darmik is the king's son and Commander of the King's Army. He spends his days roaming the island, doing his father's bidding and trying to maintain control over the people. When a chance encounter throws Rema and Darmik together, they share an instantaneous connection, but any sort of relationship between them is strictly forbidden. Darmik's brother, the Crown Prince, notices Darmik's interest in Rema and, in a calculated, political move, blackmails her. Faced with an impossible choice, Rema is forced to sacrifice her heart in order to save her family. As Rema is taken to the palace with the Crown Prince, Darmik confronts the growing rumor that a legitimate blood heir to the throne exists and is trying to overthrow Darmik's family. In Darmik's quest to hunt down and kill the threat, he discovers that nothing is as it seems. Locked in the king's castle, Rema finds herself a key player in a massive power struggle. When Darmik shows up, she's not sure if she can trust him. The line between friends, enemies, and loyalty becomes blurred. As truths are unlocked, Rema understands that she just might be the key to finding the rightful heir and restoring peace to the kingdom . . . if she can manage to stay alive long enough.

**** PRE-ORDER THE MEMORY BOX, THE NEW NOVEL FROM KATHRYN HUGHES **** Every so often a love story comes along to remind us that sometimes, in our darkest hour, hope shines a candle to light our way. 13-year-old Timothy Magee was ready for another birthday—the one time a year that he got to see his spirited, feisty grandfather. He was prepared for the usual festivities—gluttonous consumption of treats, a few interesting presents, and hours of gaming with his friends. What he wasn't expecting was his life to be forever changed by a magical birthday gift he is sworn to keep secret and safe until his grandfather magically reappears. This is the beginning of a new series; infused with the magical fantasy of Harry Potter and humorous wit of *A Series of Unfortunate Events*—Timothy and His Magic Key will fill your sails with the winds of adventure like no other!

When Flory's ancestors are forced to leave Spain during the time of the Spanish Inquisition, they take with them their two most precious possessions—the key to their old house and the Ladino language. When Flory flees Europe during World War II to begin a new life in the United States, she carries Ladino with her, along with her other precious possessions—her harmoniku and her music. But what of the key? Discover the story of Ladino singer Flory Jagoda.

Holiday, author of *The Obstacle Is the Way* and *Ego Is the Enemy* draws on timeless Stoic and Buddhist philosophy to show why slowing down is the secret weapon for those charging ahead.

On her first day of seventh grade MJ meets the nice new science teacher—but when Ms. Fleek finally gets the door to the laboratory, room 201, open she changes and suddenly MJ does not want to go anywhere near her or that room.

For the past three years, Grace Blakely has been desperate to find out the truth about her mother's murder. She thought it would bring her peace. She thought it would lead her to answers. She thought she could put the past to rest. But the truth has only made her a target. And the past? The only way to put the past to rest is for Grace to kill it once and for all.
