The Machinery of Freedom - David D. Friedman

This a five star book. It talks about the machinery of freedom which means the mechanism that underlays a society without government, and how and why it should work. The book is a revision of every single topic that engenders both doubts and awake scepticism in those who don't trust in anarcho-capitalism (AC).

The Machinery of Freedom: Guide to a Radical Capitalism by ...

This book argues the case for a society organized by private property, individual rights, and voluntary co-operation, with little or no government. David Friedman's standpoint, known as 'anarcho-capitalism', has attracted a growing following as a desirable social ideal since the first edition of The Machinery of Freedom appeared in 1971.

The Machinery of Freedom: Guide to a Radical Capitalism ...

The Machinery of Freedom has been called the Bible for anarcho-capitlism and radical libertarianism (among other things, some not as flattering) but it isn't the definitive work. What it is, however, is a really great book that outlines many of the popular utilitarian/efficiency arguments for anarchy and puts it in a way accessible to everyone.
