The Pause Principle Step Back

“To thrive and to innovate in today’s complex, globally connected world, leaders need sophisticated ways to step back to understand what they are facing within and outside themselves. The Pause Principle provides pragmatic resources for making the critical move from management efficiency to leadership excellence.”

The Pause Principle: Step Back to Lead Forward: Cashman ...

The Pause Principle is the conscious, intentional process of stepping back, within ourselves and outside of ourselves, to

resources for making the critical move from management efficiency to leadership excellence.”

Amazon.com: The Pause Principle: Step Back to Lead Forward ...

This book posits that success and effective leadership can be developed not by rushing in and being busy, but rather by taking a step back before taking action. By pausing, the author claims we achieve a high level of clarity and thus act in a more accurate manner so the action we do take is more effective.

The Pause Principle. THE PAUSE PRINCIPLE: Step Back to Lead Forward posits that pausing to gain fresh perspective and transcend immediacies is the key to leadership excellence in today's complex, dynamic world. An antidote to our addiction to speed and transaction, pause is a conscious, intentional process of stepping back to reflect and deliberate, and then lead forward with greater clarity and impact.

The Value Of Stepping Back To Achieve More

In his new book **THE PAUSE PRINCIPLE : Step Back to Lead Forward** (Berrett -Koehler; September 24, 2012), Cashman offers an antidote to our addiction to speed and transaction, replacing it with a conscious, intentional process of stepping back to consider and deliberate, and then lead forward with greater clarity, momentum, and impact.

THE PAUSE PRINCIPLE: Step Back to Lead Forward

His call to us goes beyond giving permission for us to slow down, to pause and step back from the epidemic of busyness in our business lives, to seek inner and higher counsel before we make big decisions...he cautions us to be more aware of what happens when we don't.
