The Price of Citizenship | Michael B. Katz

The Price of Citizenship: Redefining the American Welfare State. By Michael B. Katz (New York: Metropolitan Press, 2001. x plus 452 pp. \$35). In 1996, President Clinton made good on his campaign promise to "end welfare as we know it," signing Republican-backed reform legislation that many on the left condemned.

The Price of Citizenship: Redefining the American Welfare ...

THE BULK OF MICHAEL KATZ'S The Price of Citizenship is taken up by a long compendium of all the ways in which the American welfare state has diminished over the past 20 years. We all know about the abolition of the 60-year-old Aid to Families With Dependent Children program (the one popularly known as "welfare") by President Clinton near the end of his first term.

The Price of Citizenship: Redefiningthe American Welfare ...

The Price of Citizenship shows how these changes have propelled America toward a future of increased inequality and decreased security as individuals compete for success in an open market with ever fewer protections against misfortune, power, and greed. A new chapter, written for this edition, explains how these trends continue in the post-9/11 era and how the response to Hurricane Katrina exposed the weaknesses of America's social safety net.

20 Best Book The Price Of Citizenship Redefining The ...

The culmination of twenty years of research and writing, The Price of Citizenship traces the evolution of the welfare state from colonial relief programs to the war on poverty to our own age of "compassionate conservatism." Historian Michael B. Katz argues that in the last decades three great forces—a ferocious war on dependence; the devolution of authority from the federal government to the ...
