Writing specifically for new homeowners and those planning renovations, Bath pulls from her twenty-five-plus years of experience helping thousands of clients. Even though Bath faces a wide range of landscape design situations in her work, the solutions to these important landscape problems remain constant. That's why The Landscape Design Answer Book is unique. Bath reduces the subject of landscape design to about three hundred specific design problems (or goals) a homeowner may face--and provides solutions that can be universally applied.

Proper pruning will keep your landscape beautiful and thriving year after year. This authoritative guide includes more than 300 step-by-step illustrations to clearly demonstrate the correct pruning procedures for a variety of trees, shrubs, hedges, vines, and flowers. Lewis Hill offers expert advice on when, how, and why each type of plant should be pruned, safety considerations, and techniques for maintaining your pruning tools. Encouraging you to get creative, Hill even shows you how to shape your own topiaries and train espaliers.
