In this action-packed
history, award-winning
author Harlow Giles
Unger unfolds the epic
story of Patrick Henry,
who roused Americans
to fight government
tyranny—both British
and American.

Remembered largely for

Download Ebook The

his cry for “liberty or death,” Henry was actually the first (and most colorful) of America's Founding Fathers—first to call Americans to arms against Britain, first to demand a bill of rights, and first to fight the growth of big government after the Revolution. As quick with a rifle as he was with

Download Ebook The

his tongue, Henry was America's greatest orator and courtroom lawyer, who mixed histrionics and hilarity to provoke tears or laughter from judges and jurors alike. Henry's passion for liberty (as well as his very large family), suggested to many Americans that he, not Washington, was the real father of his country. This biography

Download Ebook The

is history at its best, telling a story both human and philosophical. As Unger points out, Henry's words continue to echo across America and inspire millions to fight government intrusion in their daily lives.
