Stanton is in love with Serena. But it is a relationship that can never be. Stanton is committed to the Atrox, an ancient evil that has been around since the beginning of time. And Serena is a Daughter of the Moon, a force of good whose mission is to stop Stanton and his kind.

A legendary vampire known as the Blood Countess journeys from her castle in the Carpathian Mountains to the glitter of the modern-day world of rock music, in search of a beautiful young woman named Chloe who is destined to become her faithful servant, but Chloe is determined to stop the depraved huntress's evil, regardless of the personal cost. Original.

They seem like ordinary girls living in Los Angeles. But the truth is far from ordinary. Vanessa can become invisible. Catty travels back in time. Serena reads minds, and Jimena has premonitions. What separates them from others binds them together as Daughters of the Moon. This book includes volumes four through six of the series including: Goddess of the Night, Into the Cold Fire, and Night Shade.

the forest. They hope this sacrifice will keep her from terrorizing their town. But the witch in the Forest, Xan, is kind. She shares her home with a wise Swamp Monster and a Perfectly Tiny Dragon. Xan rescues the children and delivers them to welcoming families on the other side of the forest, nourishing the babies with starlight on the journey. One year, Xan accidentally feeds a baby moonlight instead of starlight, filling the ordinary child with extraordinary magic. Xan decides she must raise this girl, whom she calls Luna, as her own. As Luna's thirteenth birthday approaches, her magic begins to emerge--with dangerous consequences. Meanwhile, a young man from the Protectorate is determined to free his people by killing the witch. Deadly birds with uncertain intentions flock nearby. A volcano, quiet for centuries, rumbles just beneath the earth's surface. And the woman with the Tiger's heart is on the prowl . . .

Inspired by the 1917 Russian revolution and the last months of the Romanov sisters, *The Five Daughters of the Moon* by Leena Likitalo is a beautifully crafted historical fantasy with elements of technology fueled by evil magic. The Crescent Empire teeters on the edge of a revolution, and the Five Daughters of the Moon are the ones to determine its future. Alina, six, fears Gagargi Prataslav and his Great Thinking Machine. The gagargi claims that the machine can predict the future, but at a cost that no one seems to want to know. Merile, eleven, cares only for her dogs, but she smells that something is afoul with the gagargi. By chance, she learns that the machine devours human souls for fuel, and yet no one believes her claim. Sibilia, fifteen, has fallen in love for the first

time in her life. She couldn't care less about the unrests spreading through the countryside. Or the rumors about the gagargi and his machine. Elise, sixteen, follows the captain of her heart to orphanages and workhouses. But soon she realizes that the unhappiness amongst her people runs much deeper than anyone could have ever predicted. And Celestia, twenty-two, who will be the empress one day. Lately, she's been drawn to the gagargi. But which one of them was the first to mention the idea of a coup? Inspired by the 1917 Russian revolution and the last months of the Romanov sisters, *The Five Daughters of the Moon* is a beautifully crafted historical fantasy with elements of technology fuelled by evil magic. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

They seem like ordinary girls living in Los Angeles. But the truth is far from ordinary. Vanessa can become invisible. Catty travels back in time. Serena reads minds, and Jimena has premonitions. What separates them from other bands them together as *Daughters of the Moon*. The Secret Scroll Catty goes into the past to discover her true identity. Not only does she meet her birth mother, but she also inherits a secret scroll that that is the key to destroying the evil Atrox once and for all. The Sacrifice Stanton, a Follower of Atrox, is torn between his love for Serena and his desire to destroy her by turning her over to the dark forces. The Lost One A girl wakes up one day not knowing where—and more importantly, who—she is. Soon she realizes that she has the power to move things with her mind. What is her connection to the

Vanessa, who has always had the special power to become invisible, discovers that she and her best friend Catty, a time-traveler, are goddesses of the moon who must fight together to overcome the evil Atrox.

A Gothic fantasy set on a college campus from the author of *Wylding Hall*: “The unstoppable narrative just might make *Waking the Moon* a cult classic. Literally” (Spin). Sweeney Cassidy is the typical college freshman at the University of the Archangels and St. John the Divine in Washington, DC. She drinks. She parties. And she certainly doesn’t suspect that underneath its picturesque Gothic façade, the University is a haven for the Benandanti, a cult devoted to suppressing the powerful and destructive Moon Goddess. But everything is about to change as Sweeney learns that her two new best friends are the Goddess’s Chosen Ones. Rich and engrossing, *Waking the Moon* is a seductive post-feminist thriller that delves into an ancient feud, where the real and magical collide, and one woman is forced to make a decision that will change the world. This ebook features an illustrated biography of Elizabeth Hand including rare images and never-before-seen documents from the author’s personal collection.

Everyone in Phoebe Ferris’s life tells a different version of the truth. Her mother, Meg, ex-rock star and professional question evader, shares only the end of the story—the post-fame calm that Phoebe’s always known. Her sister Luna, indie rock darling of

Brooklyn, preaches a stormy truth of her own making, selectively ignoring the facts she doesn't like. And her father, Kieran, the co-founder of Meg's beloved band, hasn't said anything at all since he stopped calling three years ago. But Phoebe, a budding poet in search of an identity to call her own, is tired of half-truths and vague explanations. When she visits Luna in New York, she's determined to find out how she fits in to this family of storytellers, and maybe even to continue her own tale—the one with the musician boy she's been secretly writing for months. This soul-searching, authentic debut weaves together Phoebe's story with scenes from the romance between Meg and Kieran that started it all—leaving behind a heartfelt reflection on family, fame, and finding your own way.

From #1 New York Times bestselling author Kathryn Purdie comes a high-stakes fantasy duology flush with doomed romance and macabre magic, perfect for fans of Stephanie Garber and Roshani Chokshi. Bone Criers are the last descendants of an ancient famille charged with using the magic they draw from animal bones to shepherd the dead into the afterlife—lest they drain the light from the living. Aillesse has been prepared since birth to become their matriarch, but first she must complete her rite of passage: to kill the boy she's destined to love. Bastien's father was slain by a Bone Crier and he's been seeking revenge ever since. Now his vengeance must wait, as Aillesse's ritual has begun and their fates are entwined—in life and in death.
