["Black Boy"] by Richard Wright The Trouble With Black Boys

All of the most important quality of life indicators suggest that African American males are in deep trouble. They lead the nation in homicides, both as victims and perpetrators (1) and in what observers regard as an alarming trend, they now have the fastest growing rate for suicide.

him of selling out, "acting white" and playing "their" game. Incensed by this, Matthews looks at black men, claiming they are generally lazy, promiscuous and obsessed with street culture.

The Trouble with Black Men (TV Series 2004-) - IMDb

There is considerable confusion regarding why Black males are overrepresented in categories typically associated with negative behavioral outcomes. Drawing on research from a variety of disciplines, this article explores the influence of environmental and cultural factors on the academic performance of Black males.

The trouble with Black boys : and other reflections on ...

“Several researchers have found that the pressures that Black men and boys experience exact a toll on their (our)¹ psychological and emotional well-being. How they respond to these pressures is undoubtedly a factor that contributes to the high rate of interpersonal violence between and among Black males.”

The Trouble with Boys - Author Peg Tyre

It is a circular problem we experience. In order for Black men to get help, they must open up enough to let someone know that they need help. But in order to open up and ask for help, they have to crack the cool facade that bell hooks talks about in her works. As a Black man myself, I've felt that tension (and sometimes still do).

Here are the four common problems faced by African Americans today: 1. Lack of family structure: According to a 2002 study, 70% of all African American children were illegitimate and that number rose from 23.6% back in 1963 because that was the year when welfare became a right according to the constitution, which made having husbands redundant.
