A teacher's resource book containing a collection of activities centered on giving language learning students interactive classroom practice in the structure and use of questions.

Multiple Intelligences in EFL gives a brief overview of the latest research into multiple intelligences relevant for EFL. It shows how you can enrich your own teaching by systematically activating other intelligences in your language lessons and demonstrates what you can do so that more students feel 'addressed' in your class. This book will help you to appreciate otherwise hidden strengths in your students and provide fun lessons through over 70 clear and easy-to-follow 'teaching recipes'.

Business listening & speaking is a skills-based text for intermediate-level students of Business English. It consists of listening and speaking tasks and an added feature, the listening clinic - designed to help the learner understand naturally spoken English. The listening tasks provide examples of American, British and other world Englishes, while the speaking tasks encourage business people to bring their own experiences into the classroom. Business listening & speaking provides 60-90 hours of classroom material through 15 units based on topics of intrinsic interest to business people: business ethics, company structure, new markets and more.

"This is an exciting guide to writing stories, based on the basic assumption that storytelling is a fundamental need for all people of every age and in every society and that, as stories are mostly communicated by words, then story-making and sharing should be a fundamental part of all language learning experience." - product description.

The Resourceful Teacher Series è una serie di testi di metodologia con attività innovative e stimolanti - da usare a tutti i livelli di apprendimento - scritte dai più grandi nomi nel campo della ricerca didattica
