Are extraterrestrial beings trying to contact us? Is the government covering up evidence? What is the real truth about UFOs, close encounters, and alien abduction? In this fascinating guide, UFO expert William J. Birnes covers everything from theories about the nature of UFOs to where you're likely to find them; from case studies of alien encounters to the scientific studies of otherworldly visitors. Other topics include: The beginnings of modern "Ufology" in the age of rockets A history of military and pilot encounters with UFOs Twenty-first-century UFO sightings around the globe Types of equipment needed to capture UFOs on film or video With reports from credible witnesses and lists of government documents that actually admit to the existence of UFOs, this is the only guide you need to ground yourself in this exciting subject!

This is the new must-have UFO book. For beginners and experienced researchers alike, historian Richard Dolan covers the full range of this incredibly complex topic in his uniquely engaging style. He offers fresh insights on everything connected to UFOs: ancient aliens, modern encounters, abductions, channelers, the politics and cover-up, the black budget world, the bizarre science, the social dimensions (read YouTube and Facebook), the future, and much more. Toward that end, Dolan gives practical insights on how to distinguish and investigate UFOs in today's world, where we are flooded with claims and videos and data of all types. In addition, as one of ufology's pioneers in the deep analysis of the cover-up, he offers an original perspective on how it all works and why the cover-up, despite being so entrenched and insidious, is nevertheless bound to end. He also writes on the nature of contact, speculating on who these "Others" might be. Finally, Dolan takes the reader through the "weird science" of UFOs, covering everything from propulsion to spacetime to consciousness and more. UFOs for the 21st Century Mind is a roadmap pointing the way forward in a field filled with uncertainty and obfuscation. In so doing, it is set to reposition an ancient phenomenon into a contemporary state of mind, reminding you just why the greatest mystery of our time is also one of the most important. Contents: Introduction 1. What Are UFOs? 2. Theories of Ancient Visitation 3. Into Modernity: Airships, Foo Fighters, and Flying Saucers, 1896 to 1969 4. UFO Secrecy and Those Who Fought It 5. Digging Deeper-The Breakaway Civilization 6. High Strangeness-UFOs from 1970 to 1990 7. UFOs, 1991 to the Present 8. Contact and Abduction 9. The Growth of Ufology 10. Who Are They? What Do They Want? 11. Weird Science: Propulsion, Energy, Spacetime, and Consciousness 12. Into the Future, Into Ourselves Conclusion 486 p. Illustrated Endorsements: "In a field that can be so confusing, so complex, Richard Dolan has taken his many years of thinking about UFOs and written a completely fresh overview of the entire subject. . . . This is an ambitious work that truly ties the many different aspects of the subject together. It's rare to find something like this, especially considering the care and thoroughness that went into it." -- George Noory, host of Coast to Coast AM. "As a follow-up to his previous books exploring the relationship between UFOs and the National Security State, historian Richard Dolan widens his perspective to explore all aspects of this provocative phenomenon. In this role, he takes us on a journey that brings to life the subtlety and depth of this rich subject, a truly captivating read." --H. E. Puthoff, Ph.D., Director, Institute for Advanced Studies at Austin "UFOs For the 21st Century Mind represents a new kind of book - one that clearly and intelligently addresses literally every aspect and implication of the most maligned, misunderstood and compelling subject in human history. Richard Dolan's newest work is perfect reading for serious students of ufology as well as the absolute beginner. Inspired, particularly well written, and the product of a first class mind for this or any other century." --Peter Robbins, coauthor of the U.K. bestseller, Left At East Gate: A First-Hand Account of the Rendlesham Forest UFO Incident, Its Cover-up and Investigation "This is an invaluable treatment of the known facts and seemingly endless implications regarding UFOs, with a much-appreciated focus on the human experience. A job well done, Richard." -- Sam Maranto, Investigative Researcher

Can we really know what UFO's are? The answer is Yes-but only if we study them armed with a kind of knowledge that explains the true and complete structure of the universe-spiritual, psychic, and material-a knowledge that only traditional metaphysics can provide. Science can supply one piece of the puzzle, detective work another, psychic investigation still another. But only metaphysics can put the puzzle together, and give us a complete and satisfying picture of the UFO phenomenon. Cracks in the Great Wall analyzes the findings of UFO researcher Jacques Vallee and some of his colleagues in light of the teachings of René Guénon, particularly as expressed in his prophetic masterpiece The Reign of Quantity and the Signs of the Times. According to Guénon, one of the signs of the End Times is the erosion of the energy barrier or 'Great Wall' between the material plane and the world of subtle realities-which is why our world is now being invaded by 'infra-psychic forces' of a terribly destructive nature. Author Charles Upton shows how one of the most obvious examples of this invasion is the UFO phenomenon, including the experience of 'alien abduction'. A lifetime student of comparative religion and mysticism, he explains the true nature of UFOs, the quality of the world they come from, and also something about the agenda these beings, or some of them, are trying to impose upon our world. If you want to remain merely mystified or fascinated by the UFO phenomenon, this book is not for you. But if you want to understand it, Cracks in the Great Wall will give you the conceptual tools you need. With the help of UFOlogists Jacques Vallee and John E. Mack, Christian writers C.S. Lewis and Seraphim Rose, Kaballah authority Leo Schaya, and traditionalist writers René Guénon and Whittall Perry, Charles Upton has provided the most comprehensive explanation of the UFO phenomenon yet written. It is difficult to be objective in areas outside our collective view of reality-but if, as the author contends, his argument is based on sound principles, it deserves serious consideration by all who are interested in the UFO phenomenon and its effect on our world. . "Charles Upton is a serious writer from whom I have learned much. His writing deserves close attention." -Prof. Huston Smith, author of The World's Religions, etc.

This 820 page book details the academic research findings of the world's first comprehensive multi-language quantitative and qualitative 5 year academic research study on individuals that have had UFO related contact with Non Human Intelligence (NHI)-- The FREE Experiencer Research Study. Over the last 5 years FREE has collected detailed responses to 3 extensive quantitative and qualitative surveys from over 4,200 individuals from over 100 countries. Our survey findings from these thousands of "Experiencers" contradict much of what is circulating in mainstream materialist Ufology. Our academic book will establish a new paradigm for viewing the UAP (UFO) Contact Phenomenon. FREE argues that "Consciousness" and the paranormal and psychic aspects of this complex phenomenon is the key to understanding this complex phenomenon instead of the traditional materialist perspective of "nuts & bolt's" Ufology. The Dr. Edgar Mitchell Foundation for Research into Extraterrestrial and Extraordinary Experiences, or FREE, is a 501c3 Academic Research Not for Profit Foundation. FREE was co-founded by the late Apollo 14 astronaut Dr. Edgar Mitchell, Dr. Rudy Schild, an Emeritus Research Astronomer at the Harvard/Smithsonian Center for Astrophysics at Harvard University, Australian researcher Mary Rodwell and Rey Hernandez, an Attorney and Experiencer who was a Ph.D. Candidate at the University of California at Berkeley. FREE is comprised of retired academic professors and lay researchers who have been researching the field of Unidentified Aerial Phenomenon (UAP) and contact with Non-Human Intelligence (NHI) for more than 30 years. The Executive Director of FREE is Harvard Astrophysicist Dr. Rudy Schild.

Extraterrestrial contact is happening now. We may not remember it clearly. We may think it is only a dream. We may ignore the signs of contact because we do not understand them. And most of all, we may simply be too frightened to fully acknowledge its presence. The contact experience is intricately tied to the nature of human consciousness. When we as a species evolve, so will the nature of our contact experiences. Part 1 was first published in 1994. This new edition includes part 2, and is a groundbreaking book with all new information that explores Lyssa's contact research around the world from 1994 to present day. It is a combination of narrative, channeled material from renown channel Lyssa Royal, and personal accounts from teams of contact pioneers -- those who research ET contact in real time and reach out to initiate contact through their work with specially trained contact teams. An inside look at the ET contact experience is given, including what the human consciousness experiences during contact and how our perceptions of reality change as we meet with beings from other worlds. The authors present a breathtaking look at the contact phenomenon and its connection to the evolution of the human species.

Beyond the familiar opposition between those who believe that UFOs are spacecraft from other planets and those who believe UFOs do not exist at all, lies a landscape of stranger and more rewarding topics. This new edition of The UFO Phenomenon is a discovery of the nature of apparitions, the history of secret American aerospace technologies, the mythology of progress, and the role of popular culture in defining experienced reality.

INTEREST IN THE POSSIBILITY OF EXTRATERRESTRIAL LIFE IS LITERALLY EXPLODING. PHENOMENAL UFO SIGHTINGS AND ALLEGED ABDUCTION CASES MAKE HEADLINES ALL ACROSS THE WORLD. SCRIPTS DEPICTING ALIENS AND CLOSE ENCOUNTERS DOMINATE THE TELEVISION AND MOVIE INDUSTRIES. PSYCHICS AND NEW AGE CHANNELERS ARE MAKING CONTACT WITH UFO-NAUTS. THOUSANDS OF HONEST SCIENTISTS, AIRPLANE PILOTS, RADAR TECHNICIANS, LAW ENFORCEMENT OFFICERS, POLITICIANS, AND INFORMED LAYMEN FROM EVERY WALK OF LIFE HAVE REALIZED THAT, INDEED, WE ARE NOT ALONE. NASA HAS AN OFFICIAL PROGRAM TO SEARCH FOR AND MONITOR SIGNS OF LIFE BEYOND OUR SOLAR SYSTEM. THE POSSIBILITY OF VISITORS FROM OTHER GALAXIES HAS NEVER BEEN STRONGER. THE BELIEF IN THE IMMINENT ARRIVAL OF EXTRATERRESTRIALS IN OUR MIDST IS A FANTASY THAT IS AS POWERFUL AS ANY DRUG, AS REVOLUTIONARY AS ANY DELUSION THAT MARKED THE PREVIOUS MILLENNIUM, AS POISONOUS AS ANY GREAT IRRATIONAL UPHEAVALS OF HISTORY. CLEARLY THE EVANGELICAL COMMUNITY CAN NO LONGER IGNORE THE UFO MOVEMENT AND ITS INFLUENCE. IN THIS BOOK THE AUTHORS CONSTRUCT AN EYE-OPENING, YET ULTIMATELY IRRESISTIBLE THEORY AS TO THE ORIGIN AND NATURE OF THE FORCES BEHIND UFOS. THIS THEORY IS ONE THAT WILL EXPOSE THE DIABOLICAL SPIRITUAL NATURE AND SHOCKING LAST-DAYS AGENDA OF THESE COSMIC VISITORS. THEY HAVE BEEN HERE IN OUR ANCIENT PAST, THEY ARE BECOMING MOER ACTIVE IN OUR PRESENT, AND THE BIBLE SAYS THEY ARE PRIMED FOR AN ALL-OUT INVASION OF EARTH IN OUR VERY NEAR FUTURE!

Psychologist and researcher Don Donderi examines the evidence and research from the past several decades on the changing nature of UFOs. He looks at why the scientific establishment takes a dim view of UFOs and abduction evidence and examines how the US government has collected and suppressed UFO evidence. UFOs, ETs, and Alien Abductions is a wide-ranging examination of all things off-planet that falls into 3 sections. 1. UFOs: evidence and belief between 1947 through 1965 and Cold War mysteries 2. The changing nature of UFO phenomenon from 1965 to the present, which makes the case for the existence of humanoid crew members seen in and around landed UFOs. This section also examines six well-documented abduction cases, and includes the author detailing his own research involvement with the evidence. He refutes the belief that all abductees are mentally disturbed and that a psychological disturbance explains the experience. 3. The third section is devoted to a very meaty and controversial analysis of science, politics, and UFOs.
