Using the National Gifted Education Standards for ...
Overall, I think Using the National Gifted Education Standards for Pre-K Grade 12 Professional Development would be immensely helpful to district leaders, university gifted education professionals, and any other people who plan, implement, or assess PD efforts for gifted educators. The book's materials consist of many layers and I suspect that it would be widely applicable to those with only a little, up to those with a great deal, of experience in PD implementation or anywhere in between.
