However, thanks to the 8th Edition BRB, Flying Characters CANNOT join Flying Units, so he's fucked. In 7th, there was a special rule for Terradons allowing Characters to join Flying Units. It's no longer there. One can assume that it's changed in 9th (and thus written as such) or was assumed he could join but others could not (his special rule says him AND his unit benefit from it. He can join ...

8th edition was the last official edition of WFB released and most likely the edition that still sees most play. If you are not sure where to start, this edition is a good choice. It 's a very playable set of rules with active online communities you can ask for advice. The rule book is a 500 page monstrosity full of art, lore and cool shit.
