Big improvements were made to the Windows Store in 8.1. The Windows Store is now much easier to use than it was in Windows 8. Not only does the Store have a new appearance, but it also offers a search box to make it much easier for you to locate particular apps. You no longer have to look through huge lists of apps to find the one you want.

Windows 8.1 will open your eyes to a new way of computing and Windows 8.1 for Seniors in easy steps will help you see clearly so that you can quickly feel comfortable and confident with this exciting new operating system. It is presented with the Senior reader in mind, in the familiar In Easy Steps style. Covers the 8.1 update released October 2013.

Windows 8 was a revolutionary update of the popular operating system from Microsoft. With a brand new interface, new ways of getting around and accessing items and new possibilities for mobile devices, Windows 8 took the computing experience to the next level. However, there were still a few areas for improvement and these have been addressed with Window 8.1. Windows 8.1 for Seniors in easy steps shows you how to get up to speed with this latest version of Windows and begins by detailing how to get to grips with the Windows 8.1 interface. It deals with the basics such as accessing items, personalizing your screen and using additional controls that are available from the sides of the screen. The books includes the new features that have been added since Windows 8: the return of the Start button; options for booting up to the Desktop; viewing up to four apps on screen at the same time; an enhanced SkyDrive feature for online storage and sharing; and a unified search facility that enables you to search over your computer and the Web. A lot of the functionality of Windows 8.1 is aimed at touchscreen devices, whether they are desktop computers, laptops or tablets. This is dealt with in terms of navigating

around, as well as showing how everything can still be done with a traditional mouse and keyboard. Apps are at the heart of Windows 8.1 and the newly designed Windows Store has an app for almost everything you could want to do. The book shows how to access and download apps and then how to work with them, and organize them, when you have them. As well as the new features that are covered, all of the old favourites are looked at in detail, such as working with folders and files, accessing the Internet, using email, working with photos and video, networking with Windows and system security. Windows 8.1 will open your eyes to a new way of computing and Windows 8.1 for Seniors in easy steps will help you see clearly so that you can quickly feel comfortable and confident with this exciting new operating system. It is presented with the Senior reader in mind, using larger type, in the familiar In Easy Steps style. Covers Windows 8.1, Update 1.

Laptops have often been seen as the domain mainly of students and businessmen. However, they are also an excellent option for senior users: their mobility means that they can be used in any location and with the advent of wireless technology they can be used in a variety of public places to surf the Web or keep in touch with family and friends. Laptops for Seniors in easy steps shows how these portable computers are ideal for seniors. Updated to cover the update to Windows 8 (Windows 8.1) the book begins by looking at some of the ergonomic issues surrounding laptops and shows how to be as comfortable as possible when using them and transporting them. It then gives an overview of the workings of laptops, including the

# Bookmark File PDF Windows 8 1 For Seniors In Easy Steps

software that is provided with them and some of the exciting new features in Windows 8.1. Issues such as using your laptop on vacation and sharing it with other family members are then looked at, to show how laptops are versatile and family-friendly. Extensive coverage is also devoted to networking and using a laptop wirelessly, with particular attention given to accessing the Internet from wireless locations (Hot Spots) such as airports, coffee shops and libraries. Laptops for Seniors in easy steps demonstrates that seniors can have the freedom to take their computing and wireless technology with them at all times and be fully paid up members of the mobile computing revolution.

Help seniors get started with Windows 8 with this easy-to-understand guide! In easy-to-follow steps, this fun and friendly guide shows you clearly how to use Windows 8.
