Written on the Body is a secret
code only visible in certain lights:
the accumulation of a lifetime
gather there. In places the
palimpsest is so heavily worked
that the letters feel like braille.

~~Written on the Body by Jeanette
Winterson~~

the accumulation of a lifetime
gather there. In places the
palimpsest is so heavily worked
that the letters feel like braille. I
like to keep my body rolled away
from prying eyes, never unfold
too much, tell the whole story. I
didn't know that Louise would
have reading hands.

~~Written On The Body — Jeanette
Winterson~~

Written on The Body is a tender
dissection of erotic love. The
prose is like a poem, lush with wit
and imagery, but behind the
luxuriant relish of the words,
there is a scalpel-sharp cut of
emotions. Love and longing are
the wounds through which
Winterson's imagery flows.

~~Written on the Body Analysis~~
~~eNotes.com~~

(Redirected from Written on the Body) Jeanette Winterson CBE (born 27 August 1959) is an English writer, who became famous with her first book, *Oranges Are Not the Only Fruit*, a semi-autobiographical novel about a sensitive teenage girl rebelling against conventional values.

~~Jeanette Winterson - Wikipedia~~
About *Written on the Body*. The most beguilingly seductive novel to date from the author of *The Passion and Sexing the Cherry*.

"Who taught you to write in blood on my back? Who taught you to use your hands as branding irons? You have scored your name into my shoulders, referenced me with your mark. The pads of your fingers have become printing blocks, you tap a message on to my skin, tap meaning into my body." — Jeanette Winterson, *Written on the Body*
