Applies Zen philosophies and techniques to uncovering one's talents, assessing career skills, marketing one's abilities, and conducting a job search

From masterfully funny and poignant Jordan Sonnenblick, a story

that will have everyone searching for their inner Zen. Meet San Lee, a (sort of) innocent teenager, who moves against his will to a new town. Things get interesting when he (sort of) invents a new past for himself, which makes him incredibly popular. In fact, his whole school starts to (sort of) worship him,

When things start to
unravel, San needs to
find some real wisdom
in a hurry. Can he patch
things up with his
family, save himself
from bodily harm, stop
being an outcast, and
maybe even get the girl?
