This list of ZF transmissions details those automotive transmissions created by the German ZF Friedrichshafen AG engineering company. There are two fundamental types of motor vehicle transmission: Manual - the driver has to perform each gear change (i.e., the driver is required to shift gears) Automatic - once placed in drive (or any other 'automatic' selector position), it selects the ...

Zf Astronic repair manual german (DAF-IVECO MAN) - MHH AUTO -::
Compared to manual transmissions, fuel consumption is reduced and the service life of the clutch is also extended many times over. Typical for the AS Tronic family: High-performance gears with helical teeth minimize noise emissions and as a result, predestine the transmissions for use in the city. The reduced CO and brake dust emissions also contribute to this. Technical Information ...
